*Don't need Rupert Murdoch,
that third-rate tabloid hacker,
to tell us that it's Tonya who is our Christmas cracker!*

*Don't need Korean rappers to remind a Tonyaphile,
that it is our favorite skater
who has that "Gangnam Style"!*

*Don't need Peter Jackson to give to us this message,
that as far as Tonya is concerned,
it's Gordon that's her "precious"!*

Photo: In the wake of the Whacking, Tonya and a local skating instructor attempted to develop a routine in Pairs, the most demanding skating discipline. Here she is practising at the Clackamas Town Center rink in 1994.
